### ABOUT BURLINGTON TELECOM HD:

Our network is all fiber optic which means that we don't have to compress our video signals to deliver our service. This means that you will get the very best STANDARD and HIGH DEFINITION pictures available today!

HD channels require HD set Top Box.

### ABOUT BURLINGTON TELECOM DVR:

This device will change the way you watch TV. With our DIGITAL VIDEO RECORDER (DVR) you can watch TV on your schedule, not the networks'. You can record one show while watching another or record two shows at once. Our DVR also lets you pause and rewind live shows while you watch.

**Call 540-0007 to add HD and DVR services to your package!**
