

To: Burlington Telecom Advisory Board, Burlington City Council, & Mayor Weinberger

Burlington Telecom (BT) is a valuable community asset, paid for by the taxpayers of Burlington, and vital to our future as a community. In setting conditions for the sale of BT, the City must ensure that BT remains locally controlled, affordable for all Burlington residents, and accountable to all sectors of our community.

Burlington Telecom (BT) is a valuable community asset, paid for by the taxpayers of Burlington, and vital to our future as a community. In setting conditions for the sale of BT, the City must ensure that BT remains locally controlled, affordable for all Burlington residents, and accountable to all sectors of our community.
