SMARTER TV SWITCH TO STREAMING

Switch from cable to streaming for a smarter way to watch your favorite shows and movies, including live TV. Save money and gain control over what you watch and where you watch it, without being tied to a cable package. With Burlington Telecom's fast fiber internet, the choice is yours!

We're here to help every step of the way, from picking a streaming service to setting up your device. Count on us as your reliable tech partner!

What

 Smarter TV is an initiative Burlington Telecom created to help customers confidently switch to streaming over traditional cable.

Why

 Switching to streaming not only gives you the freedom to watch what you want to watch without being locked into a contract, it also helps you save money!

How

 Our employees can help you decide on a streaming service that works for you, what your savings will be and provide you with the resources you need to get started.
